

Office Fruit Delivery For Previous Artizone Customers

ORCHARD At The OFFICE will assist Metroplex businesses seeking a new source of fruit after Artizone suddenly closes its e-doors.

RICHARDSON, Tex. - February 4, 2016 - We here at [ORCHARD At The OFFICE](#) were surprised to learn of the decision by grocery delivery service [Artizone to close its electronic doors](#). While their forte was primarily home delivery and their offerings would run the gamut from produce to meats and cheeses, they were still a company who would at times also do office fruit delivery. As such, we regarded them as fellows in providing wellness to businesses in the Dallas/Fort Worth Metroplex.

The sudden stoppage of deliveries by Artizone means many Metroplex offices may be seeking out a new source for their healthy snack alternatives. [ORCHARD At The OFFICE](#) will be glad to work with you to provide service and customer care at a level that exceeds your expectations. [Contact us](#) today and we'll ensure there's no interruption to your office fruit delivery service. You can also reach out by calling 972.295.9091 or sending an e-mail to getfruit@orchardattheoffice.com. There are [no contracts](#), so you can try us out without commitment, and we guarantee all our deliveries.
