

ORCHARD At The OFFICE Is Proud To Supply Bananas For All Dallas Running Club Races

The largest office fruit delivery service in north Texas helps fuel the largest all-volunteer running club in America.

RICHARDSON, Tex. - February 20, 2016 - [ORCHARD At The OFFICE](#), the largest office fruit delivery service in the Dallas/Fort Worth Metroplex, is proud to announce that we have teamed with the [Dallas Running Club](#) to provide all the bananas for their races.

Since 2010, ORCHARD At The OFFICE has been delivering fresh fruit to businesses throughout north Texas. Our mission is to assist in the health and happiness of our community, one bite at a time. There's always been a special affinity for runners in our organization: our Marketing Wiseapple Chris Buchanan's wife, Chauncey, is a certified personal trainer who has completed several marathons and ultra-marathons, and Chief Banana Kevin Long's wife, Amy, races regularly and has completed a marathon herself. So when our finance assistant Leah Hinton informed us that the Dallas Running Club was looking for a banana donor, we were all too happy to assist.

The Dallas Running Club is the largest all-volunteer running club in America. It was founded in 1969 under the name "Cross Country Running Club of Dallas" by Tal Morrison, and its membership has grown into the thousands. The DRC hosts eight races a year and sponsors the "[DRC Half](#)" - an annual 5K and half marathon. Runners come from all over to compete in these races, and after all those miles, they need lots of replenishment. That's where ORCHARD At The OFFICE comes in. The February "Love the Loop" 5K/15K required 320 pounds of potassium for over 900 runners!

You can check out the upcoming race [schedule](#) for the DRC here. Register for races individually or become a [club member](#) for additional benefits. Whether you're starting your fitness journey or a veteran runner looking to PR, there's a race for your schedule...and ORCHARD At The OFFICE will see you at the finish!
